

## Attitude of Gratitude

It's an attitude of gratitude  
It's the way I want to be  
It's an attitude of gratitude  
and it's here, right inside of me

It's an attitude of gratitude  
It's the way I want to live  
It's an attitude of gratitude  
You gotta learn to receive  
before you truly give

Well I was walking down the street one day  
I was feeling sad and kind of blue  
Then I thought about the people that are in my life  
And the love came shining through

Well, It's an attitude of gratitude  
It's the way I want to be  
It's an attitude of gratitude  
and it's here, right inside of me

Well everyone needs a little time alone  
To think and meditate  
When you find that open door  
and then you step right through  
You'll be amazed at what you can create

It's an attitude of gratitude  
It's the way I want to live  
It's an attitude of gratitude  
You gotta learn to receive  
before you truly give

Well, judgment and criticism block the flow  
They only cause negativity  
When you find the beauty of the person deep inside  
You can move to positivity

(chorus x 2)
